

## **Vacancies for Builders**

### **Full job description**

#### **Job Summary**

We are seeking a skilled Builder to join our dynamic team. The ideal candidate will have a strong background in construction. As a Builder, you will be responsible for various aspects of construction projects, ensuring that all work is completed to the highest standards of quality and safety.

#### **Responsibilities**

- Construct and assemble structures using various materials, including wood, brick, and metal.
- Perform roofing tasks, ensuring proper installation and weatherproofing.
- Execute masonry work, including laying bricks and blocks for walls and other structures.
- Use power tools and hand tools effectively to complete tasks efficiently.
- Conduct heavy lifting as required during the construction process.
- Ensure all work is plumb and level according to project specifications.
- Collaborate with other tradespeople on-site to ensure seamless project execution.
- Adhere to health and safety regulations at all times.

#### **Experience**

- Proven experience in a building or construction role is essential.
- Proficiency in using power tools and hand tools safely and effectively.
- Experience with heavy lifting and physically demanding tasks is required.
- Knowledge of roofing techniques, masonry skills, joinery is advantageous.
- Strong attention to detail with the ability to follow technical drawings and plans accurately.
- Excellent problem-solving skills and the ability to work independently or as part of a team.

If you are passionate about building and have the necessary skills to contribute positively to our projects, we encourage you to apply for this exciting opportunity!

**Job Types: Full-time, Permanent**

**Pay: Competitive Salary**
