We are looking for a reliable and professional Driver to join our team. In this role, you will be responsible for transporting goods efficiently. If you have a clean driving record, excellent time management skills, and a passion for providing top-notch service, we would love to hear from you!

#### **Key Responsibilities:**

- Safely drive vehicles to transport goods, materials, or passengers to their destinations.
- Ensure the vehicle is in good working condition, conducting routine checks and maintenance.
- Follow all traffic laws, safety regulations, and company policies.
- Load and unload items as needed, ensuring secure transportation.
- Maintain accurate delivery logs, time records, and other required documentation.
- Ensure timely delivery and pick-up according to schedules.
- Communicate effectively with supervisors, clients, and other team members.
- Handle customer queries and provide excellent service while on the road.
- Assist with other tasks as required, including vehicle cleaning and organizing deliveries.

#### **Key Requirements:**

- Education: High school diploma or equivalent.
- Valid UK driving license (and any additional required certifications or endorsements).

- Clean driving record with no history of accidents or violations.
- Strong knowledge of traffic laws and road safety.
- Ability to manage time efficiently and handle delivery schedules.
- Good communication skills and a customer-oriented approach.
- We are seeking a talented Civil Engineer to join our team and contribute to the success of our ongoing and upcoming infrastructure projects. If you are a driven individual with a passion for engineering and a desire to make an impact, we invite you to apply for this exciting opportunity!
