### Position/ Job Title: Electricians and Electrical Fitters

We are seeking skilled and experienced Electricians and Electrical Fitters to join our team. In these roles, you will be responsible for installing, maintaining, and repairing electrical systems and equipment. If you have strong technical knowledge, a commitment to safety, and a passion for electrical work, we would love to hear from you!

#### **Key Responsibilities:**

- Install, maintain, and repair electrical wiring, systems, and equipment in residential, commercial, or industrial settings.
- Interpret electrical blueprints, technical drawings, and schematics.
- Ensure that electrical installations comply with local codes, safety standards, and regulations.
- Troubleshoot electrical issues and perform necessary repairs to ensure systems are working effectively.
- Perform routine inspections and preventive maintenance on electrical equipment.
- Ensure compliance with health and safety regulations, maintaining a safe working environment.
- Maintain accurate records of inspections, repairs, and installations.

#### **Key Requirements:**

- Education: Relevant electrical certification or apprenticeship completion.
- Strong knowledge of electrical systems, wiring, and equipment.
- Ability to read and interpret electrical drawings and schematics.
- Familiarity with electrical codes and regulations.
- Excellent troubleshooting and problem-solving skills.
