### Position/ Job Title: Interior Designer

We are looking for a creative and passionate Interior Designer to join our team. As an Interior Designer, you will be responsible for transforming spaces into aesthetically pleasing and functional environments for our clients. If you have a keen eye for design and an innovative approach, we'd love to hear from you!

#### Key Responsibilities:

- Design and conceptualize interior spaces based on client needs, preferences, and budget.
- Develop design plans, including layout, colour schemes, furniture, and decor.
- Create 2D and 3D design presentations, mood boards, and renderings.
- Coordinate with architects, contractors, and suppliers to ensure seamless execution of designs.
- Select and source materials, furniture, fixtures, and finishes.
- Ensure designs comply with safety regulations and industry standards.
- Manage multiple design projects from concept through to completion.
- Provide clients with design advice and present ideas clearly to meet their expectations.

#### Key Requirements:

- Education: Degree in Interior Design, Architecture, or a related field.
- Proficient in design software (e.g., AutoCAD, SketchUp, 3D Studio Max, Adobe Creative Suite).
- Strong understanding of design principles, spatial arrangements, and colour theory.
- Excellent communication and interpersonal skills to interact with clients and teams.
- Ability to manage multiple projects simultaneously and meet deadlines.
